

## CASE STUDY

Duncan Gowen - Principal  
Day Waterman College

### AT A GLANCE

#### CHALLENGES

- Recording everything on paper
- Streamlining performance reviews
- Finding an environmentally friendly product to reduce waste

#### BENEFITS

- Highly customisable
- Very positive feedback from staff
- Great integration with existing systems

“...a digital solution has been transformative...”

**DUNCAN GOWEN**  
Principal  
Day Waterman College

### OVERVIEW

Located in Abeokuta, Ogun State, Nigeria, Day Waterman College has a population of about 350 students and 217 staff. Situated in 11 hectares of land, Day Waterman College is a Co ed full boarding school

### IMPACT

When asked about the impact SchooliP has had on Day Waterman College, these were the main findings.

**Why SchooliP?** - “We were using a paper based system that was very clunky. A digital solution has been transformative.”

**What is the Feedback like from teachers?** - “Staff have now become more use to the system particularly the digital CPD file.”

**Is SchooliP customisable?** - “It is customisable.”

**How is the training that is provided?** - “Very good.”

**How does SchooliP compare to other solutions?** - “Much better. More environmentally friendly, more focused and targeted.”
