OVERVIEW

Greenfield International School, a Taaleem school, is committed to building a truly world-class IB Continuum School recognized in the whole UAE for its strong academic ethos and excellent quality of teaching and learning.

IMPACT

Leigh stated, "SchooliP allows us to produce a coherent school development plan which links individual departmental targets to schoolwide priorities."

Leigh added, "The program also ensures we are tracking progress and collecting evidence for each specific target, thus ensuring improvement across all areas."
