

CASE STUDY

Maria Dean, Assistant Principal
Huddersfield New College

AT A GLANCE

CHALLENGES

- Finding a system to contain all key college performance data
- Efficiently creating reports for meetings
- Linking CPD, monitoring and performance management

BENEFITS

- High customisable
- All linked allowing for reports to be created easily
- Constantly updated to keep up with the customers needs

“...We love how CollegeiP can be tailored very easily and as such supports the way we operate as a college...”

MARIA DEAN

Assistant Principal
Huddersfield New College

OVERVIEW

Huddersfield New College is an outstanding College, offering a range of Sports based courses to students at A Level and BTEC. Our HE provision is an extension of this outstanding provision. Our large Campus, with ample free parking, is located just ten minutes from Huddersfield town centre.

IMPACT

Maria stated "It's clear that CollegeiP has been developed with the user in mind; it's designed in such a way that makes it very intuitive to use and incorporates all the areas you would expect and need."

Maria also added that "we love how CollegeiP can be tailored very easily and as such supports the way we operate as a college."
