OVERVIEW

Amity School Dubai is an extraordinary learning organisation offering an enriched and enhanced CBSE curriculum, with an affiliation with CBSE (No. 6630098), New Delhi, from Pre KG to Grade 10.

IMPACT

Policy review, which is a process that needs to be done in a specific time period can be done on SchooliP. The school's data on continuous professional development can be seen in one go too!

Saving pieces of evidence in multiple places can be avoided. SchooliP is a one-stop platform for most of a school's documentation requirements.

Therefore, you need not spend on different software platforms.
