NEED HELP WITH POLICY MANAGEMENT?

By Damien Roberts

You may have noticed that we've made available our new Policy Management module for the last two months and there's a little over a month to go for you to evaluate this new module without charge.

The new module provides you with the ability to create, amend, approve, review and publish your policies to all staff within your school or college.

Later in the month, on **Wednesday 22nd March 2023 at 10:00 AM (GMT)**, we are running a free-to-attend webinar on Policy Management to help you better understand the new features of this module. If you would like to attend this webinar you can book by clicking the link below.
